

Installing MasterKing®

Put the MK-CD into your computer. If the install screen doesn't automatically open,

1. Double click **My Computer**.
2. Double click your CD drive.
3. Double click **Setup**.
4. Follow the on-screen instructions to install MasterKing® on your computer

Starting MasterKing®:

The MasterKing® installation program will install two shortcuts on your computer; one on the desktop and one on the Start button under Programs/HPCSoft.

When you start MasterKing®, it may inform you that this copy of MasterKing® is not registered and to please register it now. MasterKing® will only work for a limited number of times without registering it. **Please be sure to register with HPC as soon as possible.**

User ID and Password

To run MasterKing® the first time, use ADMIN as both the user ID and password. You can change the password by checking the box on the MasterKing® Logon window.

Conversion from 2.0

If you have projects saved in version 2.0.0 or 2.0.1, you will need to locate the database. Click **Options, Database Location**.

The database is:

C:\ProgramFiles\HPCSoft\MasterKing32\Database\MasterKing.mdb. You will see a generic warning that the database failed to open. Click **Attempt to convert and upgrade this database**. Your projects will be converted to version 2.2.6.

Registering MasterKing®

Fill in all information on the registration screen and click **OK**. Your registration information will be displayed along with an Application I.D. number. To complete the registration, you must enter the confirmation number issued by HPC. To obtain the confirmation number, please contact HPC:

By email: click on the email button in MasterKing®.

The confirmation number will be emailed back to you the next business day.

By fax: at 847.671.6343, please print the screen with your application I.D. number. The confirmation number will be faxed back to you by the next business day.

By phone: at 847.671.6280, Monday - Friday 8:00am - 4:30pm Central Time. You must have your application I.D. number available.

Once you have your confirmation number, enter it on the second registration screen. Your copy of MasterKing® is now officially registered and ready to use.

If the registration process is interrupted for any reason, you may have to click Clear and restart the registration process at a later time. **NOTE:** If you install MasterKing® on a second computer, the registration process will have to be repeated to register MasterKing® on the second computer.

Technical Support:

If you need help with any aspect of MasterKing®, you should first go to the on-screen help in the program. HPCSoft™ has provided extensive help information to easily guide you through the program. If you are unable to resolve a problem, call HPC at:

Tel: 847.671.6280

800.323.3295

Fax: 847.671.6343

Monday - Friday 8am - 4:30pm (CT)

If you are having any difficulties with Microsoft Windows® Operating System, refer to your Windows® user manual or contact Microsoft direct. HPCSoft™ technical support is free of charge to registered users. A registration card is supplied with this product. Please have your serial number handy when contacting HPCSoft™. When contacting us by phone, it is most helpful to be calling from the computer where you need support. This way we can work with you to solve the problem or demonstrate a particular function of the software. To receive support via the Internet, contact HPC at:
